Gas Gas Pacific is excited to announce the signing of Andrew Christiansen to a multi-year deal along with the formation of Team NOGG, or North Okanagan Gas Gas, situated in the Interior of BC. As team leader, Andrew has brought with him three other team members which include Tom Williams, Blake Plysiuk and Stephen Bearss who have all signed a two year contract to ride and promote Gas Gas. This is a first for Dave Fair and Gas Gas and everyone is over the moon to have the

opportunity to be involved with a phenomenal product and a professional operation.
