

World Enduro Championship, Riihimaki (Finland)

11.06.2009

Returns the World Enduro Championship

After more than a month of rest, arrives to Riihimaki, Finland. the fourth test of the World Enduro Championship. GAS GAS will compete of the hand of Christophe Nambotin (GAS GAS EC300), who arrives third in the overall classification. The GAS GAS rider, Jordi Figueras, will be the great absence of the Championship because of an injury.

Christophe Nambotin (GAS GAS EC300), third in the overall classification, is in their hands to achieve second place and climb up to get the leadership positions of the Championship. Aware that the rider Ivan Cervantes (KTM), the current leader, is very strong, "Nambo" knows that a victory is necessary would mark the second place and not to let this opportunity.

The circuit of Riihimaki consists of three special areas (extreme, especially and cross) where the riders will race 3 laps on Sunday. On Saturday, the riders will turn one more lap to extreme. Finland, which did not organize a World Championship for 4 years, 2005, in the event of Heinola, is considered by pilots as one of the most important areas of the enduro world.

"I am very motivated by this test. I have been able to train hard during month and a half and now I arrive with many desire at the competition. Surely, I must win this weekend to compete for the leadership of the World" claimed Nambo, minutes before boarding to Finland.

"We must do our best, do a good teamwork. We are aware that the second position is very near and we fight for it "says Carlos Ferrer, GAS GAS Race Manager.

The GAS GAS team arrives to Finland with a great absence, Jordi Figueras will not be able to compete this weekend due to an injury in the shoulder caused during the training that the pilot realized to arrive in perfect conditions at this test. "I hope to be totally recovered for the next round in Slovakia" assured the pilot

Classification World Enduro Championship: 1st Cervantes (KTM) 143 pts. 2nd Guillaume (Husqvarna) 125 pts. 3rd NAMBOTIN (GAS GAS) 116 pts.
